

Course Title: Introduction to Project Planning (1 hour)
Tutor: Katy Goldstraw
Date 11th June 2008

	poor	fair	good	excellent	comments
Did the course succeed in meeting its objectives?			10%	90%	A very informative session that was run quickly but efficiently A really good introduction, helped me refocus with project planning
Did the course meet your personal objectives?			50%	50%	
How would you rate the course content			40%	60%	Got some really useful examples Really useful supporting info Made me think more carefully
How do you feel about the length of the course?		27%	64%	9%	Could have done with more time Would have liked longer Need longer but appreciate this is an introduction Would like to do the whole day I would like to go on a day course about this A little longer perhaps Longer? More time would be better A little rushed, would be nice to have more time or a whole day session run by PANWM for members
What do you think of the course materials?			15%	85%	Good visuals to take away Really useful
How comfortable was the training room?		8%	38%	54%	Noise from the other workshop Great! Difficult to concentrate with another workshop running in the same room – cold! A little chilly
How well was the course presented/delivered?			8%	92%	Lovely lady, very positive, I would like as a friend Very personable and professional trainer
Would you recommend this course to your colleagues?	Yes - 100%
